Dear Neighbor:

Rebuilding Together St. Joseph County 2026 is coming to your neighborhood! This well-known, free house repair program in South Bend is currently taking applications for 2025 spring program, which will focus on home repairs in your neighborhood.

Rebuilding Together is a national non-profit program dedicated to helping eligible homeowners with home repairs. Partnering locally with the City of South Bend, St. Joseph Valley Building Trades, and many others, Rebuilding Together is able to repair homes at no cost to the owner. In 2025, Rebuilding Together made repairs to 20 homes in South Side Neighborhoods.

Priority is given to elderly (60+), veteran, and/or disabled homeowners that are within federal household income limits (see chart below). Funding for this program is limited; unfortunately, not everyone who submits an application will receive assistance from this program. Rental homes are not eligible.

The deadline to submit the application with all required documents is November 10, 2025.

Have questions? We encourage you to attend the following information session about the Rebuilding Together Program:

Tuesday, October 21, 2025, 6:00 PM at River Park Branch Library (2022 E Mishawaka Ave, South Bend, IN 46615)

Rebuilding Together is pleased to be working with South Bend Heritage to process your application (enclosed). Questions can be emailed to info@rebuildingtogethersjc.org or call 574-289-1066.
